ABOUT ME

As the owner of a Communications Engineering company since 1998, I learned the value of team building to get things done.

I am a Certified member of the Ontario Association of Certified Engineering Technicians and Technologists (OACETT) and serve as a Director for the Toronto Central Chapter.

I serve as President of the York Region Science and Technology Fair (YRSTF) Committee. In this volunteer group, we organize an annual regional science fair with approximately 130 students competing. The gold medal winners then go on to compete at the Canada Wide Science Fair.

For fun, I play keyboards in a rock band.

2020

Dear Fellow Toastmaster,

On Saturday April 18, a vote will be held at the District 60 Council Meeting to select the 2020-2021 District Leaders. I am honoured to address you today as the **Nominated Candidate** for the role of Division I Director.

I ask for your vote to be given the opportunity to serve as Division I Director. I welcome teaming up with the Area Directors and their clubs. To work as a team in empowering and developing members, coaching and mentoring while exhibiting the Toastmaster values of integrity, service, respect and excellence.

MY VISION FOR DIVISION I

Team Building

- Have regular Area Council meetings to discuss challenges and/or what seems to be working within all division clubs.
- Develop and promote awareness through in-house tools, dashboards and social media to promote retention, growth, and value.
- As a team, to try and progress the District's goals and aspirations.
