What experience do you have in developing procedures?

At my current and previous roles at work, I work to create, develop and streamline procedures. One of my goals at work is to automate procedures that help eliminate wasted time. When streamlining processes one of my main goals to help the staff do added value work.

What lessons did you learn from previous leadership positions?

A lesson that I learned in my previous leadership positions is that I need to speak with confidence and clarity so my team won't hesitate to follow me as a Leader.

Why do you want to serve as a District leader?

Yes, in the future.

In your opinion, what are the District mission's major objectives and how would you work to achieve them?

- 1) Continue providing a supportive and positive learning experience to club members - I intend to do it by having workshops at clubs that will teach members how to best support each other i.e. how to deliver effective feedback
- 2) Increasing # of members per club - I intend to do it by encouraging and supporting my clubs to have open houses and provide the resources needed.
- 3) Encourage members to embrace pathways - I intend to do it by encouraging clubs to have workshops at clubs
