District 60 Alignment Proposal for 2024-2025

District 60 Alignment Team

March 24, 2024

Read First!

Every year, the distribution of clubs is re-balanced. Why?

- **New or re-activated clubs** (5 so far this year), plus ...
- **Possible new clubs** (3+ this year).
- Clubs may **suspend or dissolve** (12 this year).
- This year, we will eliminate one Area - F65 - in order to strengthen the Division.
- Some clubs may **change** meeting day/time/format, as well as their location.
- A balance of **strengths** is sought, with 4-6 clubs per Area, and a minimum of 16 clubs per Division.
