

Message from the Mayor

It is my pleasure to extend greetings and a warm welcome to everyone attending Toastmasters International Open House Month hosted by Toastmasters International.

Today's event is the kick off to a month long series of events that begin in October and will focus on raising awareness of what toastmasters does and its impact on motivating, inspiring and promoting self-belief. Toastmasters International empowers many through improved and enhanced communication skills, practice and feedback. The development of effective speech encourages understanding, inspires change and is paramount to successful human interaction.

This year's open house will be an opportunity for members to meet, discuss matters of mutual interest and network in a setting designed for professional development.

On behalf of Toronto City Council, please accept my best wishes for an informative and enjoyable event.

Yours truly,

John Tory
Mayor of Toronto
