

HOW TO BE A CONFIDENT COMMUNICATOR IN THE NEW NORMAL

5 essential strategies that will transform you into a powerful online and in-person communicator.

PROGRAM DESCRIPTION:

The future is limitless for those who have the skills to move people to action, sell themselves and their expertise, and transform the lives of others through their ideas.

In this workshop you will learn 5 simple yet powerful strategies that will help you craft presentations worth listening to, deliver with impact in-person and virtually, and persuade through authenticity.

ABOUT JOHN GODOY

John is a presentation skills coach, professional speaker, and a recovering startup co-founder. He has spoken to audiences on 6 continents from executive teams to university students.
